Singapore's parliament has passed the Gambling Duties Act 2022, which is set to increase the rate of tax operators would have to pay on revenue. 1bn (£1.) Tj T* BT /F1 12 Tf 50 656 Td (3bn).

Any revenue above that cap will be taxed at 22%. The bill amendment has also made changes to the length of exclusivity for the two existing operators of integrated resorts in the country: Genting and Sands. In the debate on the bill in parliament, Singapore's minister for finance Lawrence Wong also noted the growing presence of unregulated online gambling: "Trends are moving towards online gambling, but we are more concerned with the illegal space than the regulated space.

If technology makes it easier for people to gamble anywhere and everywhere, then such illegal online gambling will continue to grow. "What we Like What We Don't Like Massive welcome bonus Live streaming is not offered on all sports Thousands of markets to choose from Bonus Code1xBet What we Like What We Don't Like Incredible markets with incredible odds Offers only free bets as promotions Covers all major international tournaments Bonus CodeMelbet
