Baccarat History - Learn About One of The Oldest Card Games

The origins of the card game are debatable, but most believe it was created in the 1400s by a man named Felix Falguiere or Felix Falguiere.

He called the game "baccara", which translates to "zero", as

all tens and face cards were valued at zero (the French spelling "baccara") Tj T* BT /F

This original version of baccarat was not played the same way it is today.

King Charles VIII and his noblemen loved the game, and Chemin de Fer remained a hit with the French aristocracy for centuries.

Baccarat also caught on in England, where Ian Fleming learned how to play the ga

me before creating the world's most famous baccarat player: James Bond.

This kind of baccarat is what we now know as "American Baccarat."

In the late 1950s, Tommy Renzoni shipped the game over to the Sands casino in La

s Vegas, and the rest, as we say, is history.
