There are currently a wide range of active betting sites that Kenyans interested in sports betting can now choose from.

All the betting companies we offer on BetBlazers are currently active betting sites for you to join right now!

From natively based betting companies to international betting sites, there are a number of betting companies that are currently listed as active betting sites in Kenya. SportPesa

Another once famous betting site, like SportPesa, due to an ongoing dispute with the Kenyan authorities over the payment of taxes on betting winnings and has since

ceased operations over the course of the 2019 and 2020 period. Betika In 2019 Betika was listed as one of the most popular betting sites in Kenya.

Active Betting Sites we don't recommend

At BetBlazers we do not recommend all active betting sites for a variety of reasons.

Our guarantee is that all betting sites we do recommend have high quality and safe sports betting with everything Kenyan players need to succeed.
