The Union Minister of State for Consumer Affairs, Food and Public Distribution,

Ashwini Kumar Choubey in a written reply to a question in Lok Sabha informed that

the Bureau of Indian Standards (BIS) has notified framework on 'Online Consumer Reviews - Principles and Requirements for their Collection, Moderation and

Publication' on November 2022 for safeguarding and protecting consumer interest from fake and deceptive reviews in e-commerce. The standards are voluntary

and are applicable to every online platform which publishes consumer reviews. The

guiding principles of the standard are integrity, accuracy, privacy, security,

transparency, accessibility and responsiveness.

The standard prescribes multiple methods to verify whether the review author is

a real person and confirm the identity of the review author. These include:

\* Verification by a programme that protects websites;

\* Verification by telephone call or SMS;

\* Verification of identification by Single Sign-On (SSO);

\* Verification of identification by geolocation or IP address;

The company is required to develop a written code of practice, communicated and

made available to all management and staff, which outlines how the standard and

the guiding principles in it will be met and maintained.
