All new users can expect a welcome bonus from 32Red.

When we conducted our 32Red sports review we saw really valuable odds boosts on horse racing.

Free bets are common too, and we found a great promotion geared specifically towards live-betting to encourage players to try it out.

If used wisely it can save you a lot of money, and it adds a fun new element to the sweat.

Crossover sports and casino promotions

We mentioned before that 32Red was originally founded as an online casino, and that part of the site is as popular as ever.

That means there is sometimes some crossover for the promotions between the sportsbook and the casino.

Your 32Red sports account automatically gives you access to the 32Red casino, and you can use the same funds for both.
