ion agrees with you!

Milwaukee blew the game late on Monday, sliding back into second place behind the Reds in the NL Central.

The Brewers added bats, but I'm not going to pretend that Mark Canha and Carlos Santana suddenly make this a dangerous offense.

Both of these offenses are thin.

Good pitchers, bad offenses.

It seems like a great spot for a low-scoring game; that is how I am going to play it.

Most of the 3,000 ads did not refer to particular candidates but instead focused on divisive social issues such as race, gay rights, gun control and immigration, according to a post on Facebook by Alex Stamos, the company's chief security officer. The ads, which ran between June 2015 and May 2017, were linked to so me 470 fake accounts and pages the company said it had shut down.

Mr. Stamos wrote that while some of the ads specifically mentioned the two candi-

Mr. Stamos wrote that while some of the ads specifically mentioned the two candi dates, most focused instead on issues that were polarizing the electorate: " ;divisive social and political messages across the ideological spectrum - touching on topics from LGBT matters to race issues to immigration to gun rights."

Robert Mueller, the special counsel, is leading one of a number of investigation s into Russia's role in last year's presidential election. Inside the World of Big Tech

The report also found that hundreds of Russian "trolls," or paid socia I media users, had posted anti-Clinton messages. But it did not name Facebook or address the question of advertising.

Representative Adam B. Schiff of Călifornia, the ranking Democrat on the House I ntelligence Committee, said in a telephone interview that the Facebook disclosur e "certainly quantifies the Russian use of at least one social media platfo
