states, and is the second-largest province in Canada by population. Online sportsbooks are much superior to any product you will find in Canada, but many shy away from betting on offshore sportsbooks because they feel it's illegal.

This can be challenging as you may only see value in betting on one game that day, and forcing parlays really only benefits the house because of many struggles with predicting the outcome of multiple games.

Head to an online sportsbook where you can double your initial deposit. Many Canadian sports bettors prefer offshore books because of the perks and the odds are significantly better.

When betting in Quebec on Mise-O-Jeu, you will be almost losing 20 cents to the dollar on the odds.

We aren't trying to sell you on offshore sportsbooks, but we want you to be aware of your options before you bet on sports in Quebec, so that you can make the best decision for you.

[Image] Promising review: "I have used these for many years, and they have worked well for all of my cooking needs. It's so convenient and easy to use.

It's great for making rice and pasta on the go. The microwave is great for keeping the dishes cold.
