In some instances, a third card may be dealt.

The winning hand in baccarat is the one that has a total of 9 (or 8 if no hand h) Tj T\* BT /F

### The Third Card Rules for Baccarat Banker

The rules for the baccarat banker&#39;s third card is different from the rule for the player's third card.

It is worthwhile to gain at least some knowledge of how the drawing of cards and the dealing works.

If the player hand is equal to 8, the banker would have to stand in this case.

If the player's third card was 2, 3, 4, 5, 6 or 7, the banker may draw a third card.

The banker would, however, draw a third card if the player's third card was 4, 5, 6 or 7.
