5 Dazzling Hot Slot Machine

If you like your retro symbol slots to have few frills, plenty of thrills and si

x-figure top payout prizes then prepare to be dazzled by "5 Dazzling Hot" one of EGT's original slot game offerings.

Like 40 Burning Hot and 40 Super Hot, it maintains its popularity by offering lots of decent prizes for finding everyone's favourite fruity symbols such as melons, grapes, plums, cherries, oranges and lemons, whilst it cranks up the heat with wins of up to 100,000 coins for Lucky 7's There's also a Scattered Star Bonus, and a Double-Your-Money Gamble Feature to add even more fun and excitement.

That's not quite as dazzling as the Scattered Stars which can award up to 5,000 coins from anywhere on the reels whether they're on a recognised pay-line or not.

You can double that win if you reel-in some melons or grapes as these payout up to a very juicy 10,000 coins, whilst you could be in Seven Heaven when you see the Lucky 7 symbols as these can award you up to an incredible 100,000 coins when you hit 5 of them on any of the 5 pay-lines.

You can also try and double it 5 times - meaning you could turn a 10,000 prize into 20,000 coins, then 40,000 coins, then 80,000 coins, then 160,000 coins and finally 320,000 coins!

High 5 Stakes

With a set 5 pay-lines to play on each spin of the reels, you can combine a range of credit-bets and credit-values to make your perfect combination. 01 coins to 0.
