Alternatively, you can access the operator's mobile website and follow the l

ink to the operator's App Store page.

The device will prompt a security warning about installing apps from "unkn

own sources".

Virtual sports betting is the newest innovation in the larger sports betting ind

ustry.

You can now bet on virtual sports at one of the many New Jersey online casinos,

with more likely on the way.

Is betting on virtual sports legal?

Many unlicensed, offshore bookmakers do not go through such a regulatory vetting

process, so be wary of placing bets on virtual sports at those books.

Yes, you can bet on Virtual sports betting in New Jersey.

The product would allow for casinos to offer "virtual sportsbooks" tha

t show virtual contests and take bets on them.

The only differences are the bookmakers determine when the virtual events occur

- usually at fast-paced and regular intervals - and who is competing.

A variety of proposition bets are often available for each virtual sports event.
