Select a match from the table below to see more in-depth game predictions and betting tips.

Our betting tips are based on a mathematical algorithm that predicts the results of future matches based on past sports results.

That’s why Vitibet also offers an exact result prediction for most of the matches, but you have to take these betting tips with a grain of salt.

We do not offer exact match start times at this time.

Betting on sports results can be addictive, so if you bet, bet wisely and only the amount you can afford.
