Given that BoyleSports has close to 10 different promotions within the sportsbook, all for existing customers, it's hard to not give them the win here. This was a tough one to decide, as both sites are respectable when it comes to aesthetics, site design, and general usability too.

In-play Betting BoyleSports wins

If we had to grade each site out of 5, we'd give BoyleSports a 5 and BetVictor a 4.

Not only is it more responsive, but it is loaded with desirable features such as occasional 'mobile only' rewards, one-touch cashouts, streaming, and plenty of banking options to choose from.

However, if you want to give yourself a shot at the very best experience possible, we would recommend BoyleSports.

Yes, it's a thing.

And it's a huge problem.

Most people today are completely unaware of the serious issues behind the enterprise rise of counterfeit fashion goods, particularly within the designer handbag and accessories market.

“

You may remember the Sex and The City Episode where Samantha and Carrie buy a fake Fendi out of the trunk of someone's car in LA.

A woman walks down the street with a Louis Vuitton look alike that her friend gave her as a gift.

People have found themselves in embarrassing situations when their fashion accessory was discovered to be a fake or a counterfeit item - like that time the store manager at Tiffany & Co.

Counterfeiters are savvy these days.

There's no requirement for losses to be from the same types of gambling activities as winnings.

Waiting until year end to recreate the required records can be difficult and time-consuming.
