This is the version that you're most likely to see in online casinos and it's often referred to as Nevada Baccarat or American Baccarat. As the name suggests, this an old-fashioned version typically played in France. It differs from Punto Banco in that the player has the power to influence the outcome of the game, so it's possible to use a baccarat strategy. A slight variation on Chemin de Fer where the banker is usually the player with the most money available to gamble.

To do this, just look up the rules in the game description if the version isn't mentioned in the game title.

Having basic principles, though, such as only betting in favorable casinos and having a loss limit in mind behind before you start, can help you avoid losing a large sum of money.
