Even without any writing skills

No ads needed

However, you need a strategy that works, one that makes people queue up to buy whatever book you create and upload...

You have struggled to get ANY result or earn money online before

If you have used Amazon Kdp platform before, no doubt you might want to have a platform like that and offer such services, and collect 30% or 40% of every sales

on the platform just like Amazon,

UGC content can look like a tutorial or review video like this.

What can UGC creators charge for making videos?

Before creating UGC videos for TikTok, you'll need to identify the brand you

'd like to review, the specific product or service, and the brand's targ

et audience. Make sure the brand's niche simultaneously fits your TikTok aes

thetic, whether it's wellness, lifestyle, tech, gaming, or others. Look at t

he brand's existing TikTok content and see what's working for them.

3. Record with a good filming setup

Point your viewers in the right direction by including all relevant CTAs like li

nks to websites, coupon codes, social media, and more. You can also add release

dates for sales or product launches with unique motion titles. Never forget to t

ag the brand you're working with.

10. Build your review video portfolio
