Yelp is the second most popular online review site in the U.S., with half of Ame

ricans consulting it before they make a purchase. Here's how to make the mos

t of Yelp.

To claim your business name, go to the Yelp claim page and enter your company's

name. Yelp will search its database to see if it already has a listing. If i

t does, follow the on-screen prompts to claim it. If it doesn't, click "

Add to Yelp for free" to begin registering. You'll then be taken to an

account creation page where you can enter your business details. Then you'l

I receive a code either by email or phone to verify your identity.

Use relevant keywords. You can make it easier for users to find your page by inc

luding applicable keywords for searches.

Sell gift certificates. You can also offer gift certificates to visitors, for wh

ich Yelp takes a 10% fee.
