Some Amazon Prime customers say they don&#39;t have two-day shipping anymore

A former Amazon employee found that, in large areas of Washington state, Prime d

eliveries can take four to five business days.

As Amazon brings next-day and same-day Prime delivery to more parts of the US, c

omplaints from some Amazon customers about long Prime delivery times are still c

ommon in other regions. And one of those customers, a longtime former Amazon emp

loyee, recently conducted informal research that indicates Prime customers have

to wait four or five business days for delivery across various parts of Amazon&#

39;s home state of Washington.

Amazon boosted Prime&#39;s annual price to \$139 earlier this year, and its signu

p page boasts, &quot;Look for the Prime check mark as you shop. It means fast, f

ree delivery!&quot; But Prime members in some parts of the country have been sur
