It was called "Amazon Product Review";

The group admins disguised key phrases that would otherwise have been flagged by

Meta's automated tools designed to seek out rule-breaking, Amazon said.

"Pro-active legal action targeting bad actors is one of many ways we protec

t customers by holding bad actors accountable," said Dharmesh Mehta, Amazon

vice president of selling partner services.

The legal action has been filed at a court in Washington King County, near Amazo

n's Seattle headquarters.

Earlier this year Amazon pursued four companies it accused of deliberately flood

ing its shopping platform with fake reviews.

Under new proposals currently under consideration in the UK it would become ille

gal to pay someone to write or host fake reviews.
