These methods can help boost your brand awareness and reward you for sitting on

your phone watching videos during your downtime.

How much money? While you typically don't earn a lot with these apps, it can

add up over time. Some of these apps have a cash out or gift card option. But w

here you can really make money is through referral links.

As the name suggests, the TikTok Creator Fund is for accounts that put out great

content and elevate the platform. It allows users to create amazing videos and

get compensated.

To get a piece of the TikTok Creator Fund, you have to meet the following requir

ements:

You need at least 10,000 followers

You must create content that aligns with the Community Guidelines and Terms of S

ervice

For example: Mojo is a DIY video creation app that allows video sharing to other

platforms. We could do a product review about another app that calculates when

is the best time to post on TikTok based on your target audience. Both of these
