Bettors can find almost any bet type they might be interested in for wagering on different sports.

Less likely to hit because bettors need to go undefeated, but higher potential

payouts because of it. Futures

Futures are typically season-long bets.

Examples include the MVP of a league, the champion of a league or a division winner in a specific sport.

Futures odds change throughout the course of the year based on the likelihood of it happening, and these odds are available up until the end of the season. Prop

However, then the question becomes an issue of choosing safe and trusted betting sites, but also choosing a betting site that will offer the most for you.

Is it legal to bet with UK betting sites in New Zealand?

You can find our recommended best UK betting sites list just below at your convenience.

UK betting sites aren't just well established, experienced and among some of the best betting sites in the world, but you can be sure that if a UK betting site

is licensed by the UK Gambling Commission that they are also trustworthy.

In our experience if you're looking for a trusted betting site then we can't recommend UK betting sites more.

If a betting site is also licensed outside of Gibraltar or Malta you're also sure to get a reputable betting site.
