The Daily Payment option comes under Amazon's Fast Pay Program. If you choose

this option, your payment will be credited to your account immediately after your

shift ends.

Amazon offers a lot of perks and benefits to employees classified as "Blue

Badge" employees. We'll discuss them in detail later in this article.

Amazon's Original Payment Policy

The history of Amazon's pay policy hasn't always been like this. Before

2020, Amazon only paid bi-weekly and monthly wages to its employees.

There is also a per-package fee calculated based on the number of deliveries a particular

driver makes.

There is a reason why Amazon has grown so tremendously over the past years. Amazon

values their employees and puts their interests first.

If there is any mental health issue with any employee, Amazon provides free therapy

and assistance. You can get any medical counselling and advice from Amazon.
