Look for the SGP icon next to eligible bets and seize the opportunity for a mor e substantial victory! (7/26) BetMGM's latest desktop website is built similarly to many other top online sportsbook sites: the games are listed smack dab in the middle of the screen, sp orts markets are listed over to the left, and the player's bet slip resides on the right. BetMGM may not have the best technology in the industry backing its website, but the brand certainly knows how to organize a webpage. The sportsbook portion of the BetRivers desktop site passes the eye test at firs t glance, with live betting options taking up the majority of the home screen.
